"The Elcona Kind"

Please bring this catalog with you to the sale.

Elcona Baroness and Elcona Fragrance 2nd, Lots 17 and 18 in this sale. Together they won second prize in the class for two females at the 1949 International Live Stock Show and both were members of the second prize get-of-sire. Elcona Baroness won second prize in the two-year-old class at the International, was grand champion female at the Indiana State and reserve champion at the Ohio State Fair in 1950. Elcona Fragrance 2nd was third prize summer yearling at the 1949 International, and third prize at both the Ohio and Indiana State Fairs in 1950.

Here's the kind that will be offered by Elcona Farms

Elcona Farms is located at Elkhart, Indiana,
and is owned by Mr. and Mrs. Ernest M.
Sims. The herd manager is Jay Lyons.

The four beautiful heifers shown above are all daughters of Imp. Craggleton Bounce. Three of them are to be sold in this auction. From left to right they are: Sunset Lavender Vera (Lot 24), Sunset Clipper Countess (Lot 44), Sunset Gentian A, and Sunset Daisy (Lot 20). If someone were to buy these three royally bred daughters of this famous sire, mate them to good bulls and keep all the female offspring, he would have one of the greatest herds in the land at the end of a ten year period.

Here's the kind that will be offered by Hanson Heights Farms

Hanson Heights Farm is located at Connersville, Indiana, and is owned by B. Hollis Hanson. The manager is Bert Johnson.

Announcement

This is the third sale of Shorthorns to be held at Elcona Farms. The first was on March 25, 1946 and the second on November 1, 1947. On numerous occasions, too, we have offered Elcona bred cattle in State, District, and other consignment sales, where they have had a ready acceptance by breeders from many states. We are very happy this year that B. Hollis Hanson, of Connersville, Indiana, is joining us with a consignment from his splendid herd. He has built up an enviable reputation as a breeder of good Shorthorns and when, early this year, he purchased the entire herd of Otis A. Carter & Sons, he established his enterprise as one of the largest and best sources of top quality breeding stock in America. He has been ably assisted by Bert Johnson, whose experience, judgment, and skill are highly respected among Shorthorn people everywhere.

The Elcona cattle are largely sons and daughters of Edellyn Royal Leader 22d, our chief herdsire for the last five years. The record of his ancestry and his own achievements are given in the notes with his pedigree. Our offering has been augmented by the addition of seven heifers from the Broadfields herd and three bred by M. N. Baxter. After the death of E. Arthur Ball, whose Broadfields herd was ranked as one of the best in the country, his cattle were purchased by Vernon Thomas, who has maintained the high standard set by Mr. Ball, Mr. Baxter has been a successful breeder of good Shorthorns for many years.

The Elcona cow herd represents the best blood lines of the breed. It has been built up over the years by careful selection in conformity with a high standard of quality and modern, preferred type. It is regarded as one of the most uniform groups of Shorthorns anywhere on the continent. It has been augmented from time to time by the retention of heifers bred on the farm and is now in a high state of productive efficiency. In 1949, Les Mathers imported nine females from Scotland for us, all of currently popular bloodlines and most of them carrying the services of noted Scottish bulls. Among the calves dropped since their arrival, are several bulls which are promising candidates for additions to our battery of herdsires.

In January of 1949, our search for a junior herdsire was rewarded when we selected Sunset Bounce 14th, a five months old son of Cruggleton Bounce, famous imported sire in the Carter herd. It may have appeared that we were assuming a sizable risk in buying a bull at that age, but we were so impressed with his individuality and pedigree that we had no hesitancy in paying Otis the \$4500 he asked for him. He developed splendidly and his progress fully justified our earlier optimism. In the late fall and winter he settled a number of our heifers and we intended to use him on the daughters of Edellyn Royal Leader 22d to be offered in this sale.

But in February of this year we were so unfortunate as to lose him, a circumstance which started us again on the hunt for a junior sire. Because of our confidence in the Bounce breeding, we decided to see if another Bounce calf of high quality could be found to replace the one we had lost. In the meantime, Hollis Hanson had bought the Carter cattle and we went to him with our problem. Among the bulls was a year old son of Cruggleton Bounce that immediately took our fancy. This was Sunset Bounce 23d. His mother is a daughter of Calrossie Fearless, whereas the dam of Sunset Bounce 14th is a daughter of that famous Scottish sire. The younger bull is so much like his brother that, except for the six months difference in age, it would have been difficult to tell them apart, with the Twenty Third probably

Owner Ernie M. Sims looks over a few of the good ones at Elcona Farms. From left to right: Elcona Gloster Queen 5th (Lot 25 in this sale); Elcona Crimson May, a daughter of Edellyn Royal Leader 22nd and a full sister to Lot 21 in this sale; Imp. Scotston Doreen, a daughter of Millhills Wanderer; Broadfields Vanity 2nd, the dam of bull Lot 16 in this sale; Elcona Rosie, a daughter of Edellyn Campeon Mercury and out of the same cow as Lot 55 in this sale; and Scotsdale Cora Pauline, a daughter of OAC Mayflower's Ransom and a half sister to the 1948 International grand champion, Scotsdale Bombardier.

showing some small advantages in individual excellence. The similarity of breeding was another favorable factor, since it would permit a continuation of the program we had already set up. So again, with complete confidence, we paid the asking price, this time \$5,000.

This replacement unavoidably delayed the breeding program for our sale heifers. Nearly two months elapsed between the death of the Fourteenth and the arrival of the Twenty Third and even then services had to be deferred in order to avoid a heavy demand upon Sunset Bounce 23d until he attained a greater age. Also some of our 1949 and 1950 Show heifers are offered in this sale and the fact that we did not want them to calve before, or too soon after, the International, also was a contributing factor in this later service program.

Three of the Leader daughters are in calf to Sunset Bounce 14th and will calve before sale day. The others and some of the Thomas and Baxter heifers are bred to Sunset Bounce 23d. The remainder carry the service of Edellyn Royal Leader 22d. During the preparation of the cattle for this sale, we have had the services of Dr. L. M. Cropsy, breeding specialist, who has examined the heifers to determine their service status. All females, shown to be bred, are guaranteed to be in calf.

The Elcona staff, under the supervision of Jay Lyons, has done a grand job this year, both with the cattle and the crops. We deeply appreciate their loyalty and industry and freely accord them a large share of the credit for the successful operation of Elcona Farms. Our herd is Federally Accredited for tuberculosis and all Elcona females were calfhood vaccinated.

All breeders and friends of Shorthorns, and all lovers of good livestock, whether interested in this breed or others, are cordially invited to attend this joint sale. We think you will enjoy seeing both the sale offering and the Elcona breeding herd. Whether you buy or not, you will be very welcome.

Mr. and Mrs. Ernest M. Sims

General Information

LOCATION—Elkhart is located one hundred miles east of Chicago on the main line of the New York Central Railroad. It is served by several local and through bus lines. Federal Routes 20 and 33 pass through it, as does Indiana Road 19.

The sale will be held at Elcona Farms, located six miles east of Elkhart on the north side of Federal Route 20, at its intersection with County Road 21. This point is also one and a half miles west of the intersection of Number 20 and State Road 15.

Sale headquarters will be at Hotel Elkhart. Persons arriving in Elkhart by train or bus should go to the hotel from which transportation to the farm will be available at frequent intervals. The hotel is one block east and two north from the New York Central station and one-half block east and one north from the bus station. Reservations for those arriving the day before will be made at Hotel Elkhart if they will notify us.

The sale will start promptly at 1:00 P.M., Central Standard Time, on October 30, 1950.

Lunch will be served at the farm.

Those who wish to secure further information about the cattle in this sale, or regarding travel accommodations by train, bus, or auto should get in touch with Hal Longley, Sale Manager, 16 South Locust Street, Aurora, Illinois.

AUCTIONEERS—C. D. (Pete) Swaffar and Romaine Sherman.

MAIL ORDERS—Those unable to be present and who desire to do so may send buying orders to any of the following reliable men, all of whom will be in attendance:

Hal Longley, The Shorthorn World, Aurora, Illinois

Ned Place, The Shorthorn World, Aurora, Illinois

C. K. Tomson, American Shorthorn Breeders' Association,
Union Stock Yards, Chicago, Illinois

Stanley Perkins, American Shorthorn Breeders' Association,
Field Representative

Dale Runyon, The Drovers Journal, Chicago, Illinois

Lloyd Crouch, The Farmers Guide, Huntington, Indiana

Telegrams should be sent in care of Hotel Elkhart. The Farm telephone number is Dunlap 18F22, a suburban exchange reached through Elkhart.

SALE MANAGER—Hal Longley, 16 South Locust Street, Aurora, Illinois.

Terms and Conditions

GUARANTEE—All cattle in this sale will be sold under the standard guarantee endorsed by the American Shorthorn Breeders' Association. Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after the close of the sale without trouble to the purchasers, but cattle will be at buyers' risk as soon as bid off. Every precaution will be taken to see that animals arrive in sound and healthy condition.

TERMS—The terms of this sale are cash unless arrangements are made in advance with the owner. All settlements must be made with the clerk of the sale immediately at the conclusion of the auction and before the animals are removed.

HEALTH—All cattle in this sale have been tested for Bang's Disease within 30 days of the date of the sale. A 60 day Tuberculin retest will be allowed and all cattle are guaranteed to comply with the health regulations of any state into which they may go. Health certificates will be provided with each lot sold.

LIABILITY—The above guarantee and terms shall constitute a contract between the seller and buyer of each lot. Neither the clerk of the sale, nor the individual designated as Sale Manager assumes any liability, legal or otherwise. Where footnotes appear in this catalog they were furnished by the owners. We will not be responsible for any accidents that may occur, but will make every effort to provide for the comfort and safety of our guests.

INQUIRIES ABOUT CATTLE LISTED—The sale manager will gladly answer, to the best of his ability, any question which may arise in the minds of prospective buyers concerning the breeding and quality of any animals listed in the catalog. Such correspondence should be addressed to Hal Longley, Sale Manager, 16 S. Locust St., Aurora, Ill.

PLEASE NOTE—Several animals in this sale are in our 1950 Show herds. In such cases we will want to retain them for delivery following the International in early December. Announcements will be made on sale day.

EDELLYN ROYAL LEADER 22D 2247151

Since Elcona Farms bought this product of the famous Edellyn Royal Leader-Calrossie Mercury cross at the top price of \$6,500 in the June, 1945, Edellyn Sale, he has been building a reputation that has confirmed the promise of his ancestry and of his own individuality. The success story of the sons and daughters and grandsons and granddaughters of the All American Favorite and the Founder of the New Dynasty has never been surpassed, probably never equalled, anywhere in Shorthorn history. Year after year they have gone on to receive new laurels in the show ring and to establish unprecedented sale averages. This year at the annual Edellyn Sale, forty head sold for an average of \$1700, the bulls approaching \$2500 and the females topping \$1400. The 1949 show record was equally impressive.

Edellyn Royal Leader 22d has proved himself a worthy representative of this blood. He has shown that he can produce both good bulls and good heifers, an achievement which cannot be claimed for many herdsires. His sons and daughters have been in constant demand at good prices.

The excellent show record of his calves was climaxed at the 1949 International when, in competition with the progeny of 102 sires in the individual classes and the Get-of-Sire, the average placing of his offspring was in second position, being bettered only by that of the sons and daughters of his own sire, Edellyn Royal Leader. The 51 exhibitors in all classes, both individual and group, the entries of Elcona Farms, all by Edellyn Royal Leader 22d, ranked first.

Further honors were awarded to his progeny in the 1950 show circuit. At Indiana, strongest of this year's State Fairs, these included Champion Female, first prize Get-of-Sire, second place Pair of Females and second place Pair of Yearlings. At Ohio, with a record entry for that State, both in numbers and quality, his offspring won Reserve Champion Female, second place Get-of-Sire, and second prize Pair of Females. In both shows individual placings were high.

No International Grand Championship has fallen to a son or daughter of Edellyn Royal Leader 22d, a goal still to be eagerly sought. But of even greater significance than the winning of a Grand Championship is the achievement of uniformity in production which such a show record demonstrates. His sons and daughters in this sale provide further evidence of this ability to sire calves of uniform excellence.

Sunset Bounce 14th

Sunset Bounce 23d

SUNSET BOUNCE 14TH 2515254**SUNSET BOUNCE 23D 2546606**

Two years ago Elcona was faced with the problem of finding a junior herd sire good enough to cross on the daughters of Edellyn Royal Leader 22d. Acquisition of a good bull does not solve the sire problem indefinitely. It only accentuates the importance of maintaining, in future generations, the high quality already established. Mention is made in the Announcement of the circumstances under which we bought two sons of Cruggleton Bounce. Those notes will apply to both, since their breeding is very similar.

The remarkable achievements of four calves by Cruggleton Bounce at the 1948 International focused our attention on his sons in the Carter herd. This quartet together won the coveted Get-of-Sire award and individually, or in pairs, added the Reserve Grand Championship, first prizes in the Summer Yearling Bull, Summer Yearling Heifer, Pair of Yearlings, and Best Bull and Female classes, paired with another Carter entry to win top place in the two bull group, and was represented in the trio that stood second in the Three Bull class. These sensational winnings had been preceded by similar success at the 1948 Illinois State Fair, where Sunset Bounce was Grand Champion and paired with his half sister by the same sire, Sunset Lady Rosewood 6th, won the Pair of Yearlings and Best Male and Female Classes.

With such an unprecedented performance in mind, we went to Eldorado to see if there were more sons and daughters of Cruggleton Bounce in a class with these four. We found many calves of like quality and promise. This discovery lead us to check back into his ancestry where we found ample reason for his ability to sire uniformly high quality calves. In our search for a prospect to fill our own needs, we also studied the individuality and pedigrees of the dams.

Cruggleton Bounce himself was second Reserve Champion at Perth in 1946, defeating 390 other bulls for that honor. His sire, Cruggleton Aircraft, won the same position in the 1944 Perth show and sold for \$12,750. He is also the sire of Cruggleton Braemar, in service at Cruggleton. Cruggleton Perfect sired the 1949 Supreme Champion at Perth, which sold for about \$30,000. Other high placed winners were out of his daughters and one was by a son. His calves at Perth in 1944 averaged about \$6,700. Females by him topped Aberdeen sales

in 1943 and were high at Perth in 1944. He was also the sire of Beaufort Backsight, sold in the Argentine in 1943 for \$48,000.

Many other famous names appear on both sides of Cruggleton Bounce's pedigree and the recital of their achievements could go on indefinitely. The dams of Sunset Bounce 14th and Sunset Bounce 23d come from ancestors whose records are equally impressive. Calrossie Fearless, grandsire of one and sire of the other, is generally regarded as one of the greatest sons of Calrossie Control. John Miller says he is the best. The two grandsires of his dam were Collynie Royal Leader and Naemoor Jasper. Three of his sons sold for a total of \$26,400 and one of these is the sire of the Champion bull at Palermo in 1947 and of the Champion group of three bulls there in 1946 and 1947.

Bapton Commando sired seven bulls that sold at Perth for an average of \$6,200. His owners refused an offer of \$40,000 for him. His sire, Bapton Upright, produced Pittodrie Upright, Supreme Perth Champion and, at \$62,000, the highest selling bull of any breed on record. In three years his offspring yielded a total of about a quarter million dollars. Glastullich Waverly and Calrossie Eldorado, fourth generation sires in the pedigree of the Twenty Third's mother were sons of Naemoor Jasper, thus rounding out a full quota of famous names in the ancestry of this young bull.

Three of the daughters of Edellyn Royal Leader 22d, offered in this sale, carry the service of Sunset Bounce 14th and the others are bred to Sunset Bounce 23d. If you will examine the extended pedigrees of Edellyn Royal Leader 22d and the two sons of Cruggleton Bounce, you will find, in the ancestry of the calves to come from this cross, most of the greatest names in Shorthorn history of the last quarter century. Not only do these pedigrees trace back to the founders of the modern area of Shorthorn progress, such as Collynie Royal Leader and Naemoor Jasper, but they include the bulls and cows of the present day and the recent past, which have continued the improvement and have been setting up new and higher standards of achievement. These are currently the most successful and most highly regarded blood lines.

Left—Sunset Bounce 25th, the son of Imp. Cruggleton Bounce that won first prize in the open class and championship in the Gold Medal Show at the 1950 Indiana State Fair. He was a member of the first prize three bull and two bull groups and first prize get-of-sire at the 1950 Ohio State Fair.

Right—Cruggleton Bounce, one of the most famous imported sires ever to come from Scotland. His calves are sensational winners in the showing and tops in all herds where they have gone. Two sons and nine daughters will be included in the Hanson Heights offering and many females will carry his service.

The Get of Cruggleton Bounce

The get-of-sire awards in leading breed shows comprise one of the most valuable sources for the appraisal of herd performance. Presented above is a picture showing the first prize get-of-sire in the climactic 1948 International Shorthorn show at Chicago. This is the get of Cruggleton Bounce, shown by Otis A. Carter & Son, Eldorado, Illinois. It included the International reserve champion and top selling 1948 International Congress bull, Sunset Bounce, and the International first prize summer yearling heifer, Sunset Lady Rosewood 6th.

Early in the 1948 show season at the Illinois State Fair, this sensational pair headed the classes for bull and female any age, bred and owned by exhibitor, and pair of yearlings. They repeated this feat at the last and strongest show of the season. At Illinois in his debut in major competition, Cruggleton Bounce was made grand champion by Dr. A. D. Weber of the Kansas State College, Manhattan. Judging at the 1948 International was by Senor Enrique Santamarina of Buenos Aires, Argentina.

Cruggleton Bounce (Imp.) is now one of the chief stock bulls at Hanson Heights Farm along with his International reserve champion son, Sunset Bounce. Before coming to this country he was a first prize winner and second reserve champion of the 1946 Perth, Scotland, show. Cruggleton Bounce was bred by Mr. A. J. Marshall of Bridgebank, Stranraer, Scotland, and is by Cruggleton Aircraft.

The 1948 International winnings, including reserve bull championship and first prizes for get-of-sire, summer yearling bull, two-bull group, summer yearling heifer, bull and female and pair of yearlings, provided only the initial proof of the prepotency of Imp. Cruggleton Bounce. Throughout the 1949 and 1950 show circuit his calves have been equally prominent winners.

The purchase this year of the entire Otis Carter & Son herd by B. Hollis Hanson brings the Hanson Heights herd into a position of great strength. It is not only one of the largest herds in the land but every animal is a top individual of richest ancestry.

Drynie Augusta 36th
RLW, R. MacLean

Sunset Bounce—One of the most sensational bulls of the past quarter century. He was reserve champion at the 1948 International and top selling bull at \$5,000. He was a member of the groups winning first prizes in the get-of-sire, two bull, pair of yearlings and bull and female groups. His first calves will be offered in this sale and they are excellent.

Supreme Conqueror—A son of the \$6,000 Calrossie Supreme that was used with great success in the Hanson Heights Herd. He is out of the famous imported cow, Millhills Jealousy 10th by Tarvas Banner Bearer. His sons and daughters have been tops in the show ring and those offered in this sale will be tops in the herds of their new owners.

A group of bred heifers sired by Cruggleton Bounce and Broadfields Air Eagle. The bull in the picture is Sunset Bounce 15th. A number of sale heifers will be in calf to him.

Sunset Bounce 15th—We liked the type, fleshing ability and character of this son of Cruggleton Bounce so well that we have retained him for herd use. A number of the good heifers in the sale will carry his service.

Don't forget that the Annual Fall Show and Sale of the Indiana Shorthorn Breeders' Association will be held at the State Fair Grounds in Indianapolis on October 31st. This is the day following our sale. We will arrange auto transportation for all who do not have cars. A total of 130 head of outstanding Scotch Shorthorns will be sold in these two important sales. We will gladly assist in the matter of assembling cattle purchased in the two sales.

Here is a pleasant view at Hanson Heights Farms, Connersville, Indiana. Can anyone sort out six better specimens of the breed? From left to right: Imp. Morphie Eliza, Imp. Millhills Jealousy 10th, Rosewood 18th, Imp. Kair Gold Bud, Imp. Kair Fine Art, and Lady Anne 30th.

This is not just another sale offering. It is an offering that differs from most in that there are no weak entries. Each lot is of the most modern type, of the highest quality, and has a pedigree that gives assurance that the animal will breed on unfailingly.

In buying breeding cattle at public auctions, there are certain fundamentals that should not be overlooked. They include the integrity of the breeder and owner of the cattle, the strength of the foundation upon which the owner's herd was laid, the standing of the bulls that head the herd, the quality and conformation of the animals in the sale offering and the health of the herd from which they come.

As an outsider who has been familiar with the Elcona and Hanson Heights herds since they were established, I can express my own opinion without restraint. The owners are known to be among the most honorable men connected with the live-stock industry. The herds were founded within the memory of most present day breeders and it is common knowledge that only the best of females were selected. It is common knowledge also that the bulls that have been used rate among the best of the breed.

You will note that superlatives have been used sparingly in the descriptions in this catalog because the owners prefer to accept the judgment of the public as to the individuality and quality of these cattle. Having studied the sources of supply for good seed stock rather carefully over a period of a good many years, I realize that some places provide better buying opportunities and a greater measure of safety than others. I think that Elcona Farms, under the guidance of Mr. Sims, and Hanson Heights Farms, under the guidance of Hollis Hanson, are among the best.

HAL LONGLEY of The Shorthorn World.

Elcona Ranette Leader 2d. The dam of this bull is a double bred granddaughter of OAC Ransom 2d, generally regarded as the best son of Millhills Ransom, \$15,000 sire imported by the Shorthorn breeders of Ontario for service at Ontario Agricultural College. Her sire is the most noted bull in the second generation of this great improver's progeny. The Elcona herd has had a liberal infusion of Ransom blood. Elcona Crimson May and Elcona Crimson May 2d, Lots 21 and 53 in this catalog, are out of a granddaughter of OAC Ransom 23d. The dam of Elcona Ransom Beauty 3d, Lot 51, is a daughter of the same bull. Rosalie Ransom, by OAC Ransom 2d, was bought from Murphy Bros. for \$1,000. Elcona sold five of her daughters for a total of \$4,675. A daughter of OAC Annette 3d was sold for \$775.00 in the June, 1948, Northwest Chicago Sale to Swanson Brothers, of Estherville, Iowa, and they have been very much pleased with their purchase. A full brother of Elcona Ranette Leader 2d won his class in the 1949 Spring Indiana All Bull Show and Sale, where he was bought by Swanbird Farms of Converse, Indiana, for \$750.00.

H H F Royal Bounce—Fourth prize senior bull calf in class of 16 at both the Ohio and Indiana State Fairs was this young son of the 1948 International reserve champion Sunset Bounce and much like his sire at same age. With plenty of quality and natural smoothness, he will improve with age. His dam is by that great breeding bull, Broadfields Air Eagle and his granddam by the many times winner, Sni-A-Bar Royal Baron. The individuality and pedigree background entitles this young bull to a fair chance to become a good show and breeding bull.

Elcona Marshal Leader—In the 1943 Congress Sale, Rudy Boeger, of Salisbury, Missouri, bought Achtoi's Field Marshal, seven months old son of Cruggleton Achtoi, and youngest bull in the sale, for \$2,550. His unusual promise as a calf was fully realized as he matured. Cruggleton Achtoi's contribution was cut short by an untimely death, but he left a remarkable group of calves while he was in service at Shore Acres. He was by Coldoch Silver Wedding and his dam by Glenburn Field Marshal. Leveldale Adonis is a son of Sheik of Leveldale, the Mather's International Grand Champion. Elcona bought two daughters of Achtoi's Field Marshall from Rudy at private sale and paid \$875 for each of them. The mother of Elcona Marshal Leader 2d is one of these.

Elcona Minimar Leader—Larbert Templar was the chief herdsire in the Douglas herd at Caledonia, Ontario, for many years. Any list of the dozen best sires in service in Canada during the last twelve or fifteen years would have to include him. A. J. Marshall bred his sire and Duthie Webster bred the sire of Elcona Minimar Leader's maternal granddam. These are two famous names in the Scottish Shorthorn record book. This bull was second in the Senior Yearling class at the 1950 Indiana State Fair, where he was also a member of the first prize Get-of-Sire, and paired with Elcona Baroness to place second in the Pair of Yearlings.

H H F Royal Eagle—Broadfields Air Eagle is the sire of this good headed, rugged, sappy, smooth, deep fleshed young candidate for a future show and herd sire and if carried on from here will make the goal. A full brother was one of the tops in an Indiana State Sale and a full sister was third prizes heifer at the Indiana State Fair last year. His dam, by Glenburn Royal Flush, is without question one of our good cows.

Elcona Grand Cashier—The sire of this bull, a son of Edellyn Royal Leader 22d, was Reserve Grand Champion at the March, 1949, Indiana All Bull Show and Sale and sold there to Bernard and Jerome Gillooly for \$1,000.00. His dam, bought in the 1944 Indiana State Sale for \$1,000, is a cow of near perfect type. She is a daughter of Divide Grand Duke, \$4,000 head of the Broadfields herd for many years. Her second sire is Cluny Edgar Command by Calrossie Command, son of Calrossie Control, by Collynie Royal Leader. The third is Calrossie Air Control, also by Calrossie Control, and the fourth is Calrossie Ringleader, another son of Collynie Royal Leader. Naemoor Jasper appears as the maternal grandsire of Calrossie Air Control. The dam of Elcona Grand Cashier is also the mother of May King, the sire used with great success by Wm. A. Allison's Sons, at Washington, Indiana. Coldoch Union Jack was a grandson of Naemoor Jasper, as was the third sire in this cow's pedigree.

Elcona Orator Leader 2d—The sire of this bull, a son of Edellyn Royal Leader 22d, was Grand Champion at the 1949 Spring Indiana All Bull Show and Sale and was sold to Dee D. Nellans, of Argos, Indiana, for \$1,075. Princeton Reta, his dam, is one of Elcona's grand old matrons. Although she is thirteen years old, she has produced a calf every year since she was bought in 1942, and the last one was born a month ahead of the anniversary of the first. She was bred by the Prince of Wales and her sire, Bapton Orator, famous in his own right, was a grandson of Collynie Royal Leader. The second bull in her pedigree, Cruggleton Shylock, was also a grandson of the same great bull. Klaymor Comet was first in class at the 1939 International. He was bought that year by T. Dorsey Jones and his first bull calf was sold to Wm. A. Allison's Sons for \$2,400. Larbert Templar is mentioned in the footnote with the pedigree of Elcona Minamar Leader, Lot 6. Lady Rosewood 18th, one of the famous Douglas Rosewoods, was the granddam of Lady Rosewood 29th, shown by Elcona to the Senior and Reserve Grand Championship at the 1940 International and still a producing member of the Elcona herd.

Elcona Baroness—This is another Elcona show heifer that was near the top wherever shown in 1949. At the International she won second prize in the Senior Heifer Calf Class and paired with Elcona Fragrance 2d to place second in the Two Females group. She was also a member of the second place Get-of-Sire. In his account of the International, Merv. Aegerter spoke of her as a "classy roan daughter of Edellyn Royal Leader 22d." At the 1949 National Shorthorn Show held in connection with the American Royal, she shared third place in the pair of calves class, with Elcona Grand Leader 2d, a son of Edellyn Royal Leader 22d.

On the 1950 Fair Circuit, she maintained, and even bettered, her great record. At Indiana, she was Champion Female, member of the first prize Get-of-Sire, and paired with others of her sire's offspring to place second in the Two Females and Pair of Yearlings classes. At Ohio she won the Senior Yearling class, was Reserve Champion Female, and was a member of the second prize Get-of-Sire and Two Female groups. Harrisdale Rosewood is by Broadfields National, son of \$4,000 Divide Grand Duke, and grandson, on his dam's side, of Calrossie Sweepstake by Calrossie Randolph, famous bulls bred by John MacGillivray. Irvine Hill Rosewood 6th is a daughter of Millhills Rufus, C. C. W. Middleton's well-known herdsire. Elcona Baroness was bred to Sunset Bounce 23d on June 7th.

Elcona Fragrance 2d—This heifer is in the Elcona show herd and has been a top contender wherever shown. As a summer yearling, she stood third at the 1949 International and with Elcona Baroness was second in the Two Female group. She was also a member of the second place Get-of-Sire. In his report on the last International, Merv. Aegeter said, "She was one of the individuals carrying the nicest bloom of any in the entire show."

On the 1950 Show Circuit, she was third in class at Indiana, where she was also a member of the first place Get-of-Sire and second place Two Female group. At Ohio she won third position in class and stood with the second prize Get-of-Sire and the second place Pair of Females.

Her dam was sired by the Duke of Killearn, famous Gallinger bred bull, whose offspring brought so many honors to the Allen Cattle Company. Typical were Divide Grand Duke, \$4,000 chief herdsire at Broadfields for many years, and Divide Patience 51st, International Grand Champion in 1940 and 1941. Elcona bought Divide Fragrance 11th from Merryvale Farms for \$1,500. Elcona Fragrance 2d is bred to Sunset Bounce 23d.

Sunset Daisy was sixth prize senior heifer calf in class of 26 at the 1949 International. She is by Cruggleton Bounce and member of the third prize get-of-sire. Beathton Monarch, sire of her dam, is a half brother of Beathton Favorite, famed herd sire for Willow Lee Farms and sire of many champions. We have her dam and a full sister or perhaps we would hesitate to sell this Cruggleton Bounce daughter. Bred to Sunset Bounce 15th on August 7th.

It does make a difference where you buy and from whom you buy. Wherever you go you will find that cattle of Elcona and Hanson Heights breeding are improvers and that the men who produce them are held in highest esteem. In my opinion no trip is too long and any cost of travel is perfectly justified when Shortborns of such outstanding individuality and bloodlines are to be sold. If I were starting a herd myself, I would want the kind that are being offered in this sale and I would want men like Ernie Sims and Hollis Hanson to be behind them.

Hal Longley

Elcona Crimson May—This heifer was in our show herd and stood fifth in the Senior Yearling Class at the 1949 International. The sire of her dam is a son of OAC Ransom 23d, particulars of whose breeding and record are given in the footnote with Lot 1, Elcona Ranette Leader 2d. In October, 1945, Elcona bought from Blotz Brothers another heifer by Hickory Knoll's Ransom and also a granddaughter of Crimson May 3d. She was sold to Broadfields Farm in the Elcona-Shore Acres Sale of March, 1946, for \$1,050. Elcona Crimson May was bred to Sunset Bounce 14th, December 19th, and will calve before sale day.

ELCONA GOLDEN LEADER. The dam of this bull is a daughter of Newallyn Royal Leader, that made a great breeding record in Canada. A half brother of this cow, by the same sire, won his class at the 1944 Congress Show and Sale and was sold there by Robinwood Farms for \$2450.00. We have used this young bull in the Elcona herd. He is the sire of Lot No. 16 in the catalog and is a full brother of Lot No. 3.

ELCONA ROSEWOOD B 3d. The dam of this heifer carries the breeding of Claude Gallinger, from whose herd have come some of the most famous herdsires in modern Shorthorn history. Danny Boy 2d is by Danny Boy and Balmuchy Beauty is by Balmuchy Jasper, the sire of Duke of Killearn, maternal grandsire of Lot 18 in the catalog. Collynie Victory Royal is by Rosehaugh Mandarin. Another daughter of Stonehaven rosewood sold for \$1300.00 in the Shore Acres-Elcona sale of March, 1946. Elcona Rosewood B 3d was bred to Sunset Bounce 23d on July 11th.

RLW, W. B. Robertson

ELCONA DOREEN. This heifer had been retained in the herd and it was not our intention to sell her. But Elcona Clipper 5th lost a beautiful red bull calf by Sunset Bounce 14th at calving and we did not want to decrease the number of heifers in this sale that are carrying the Bounce service. Scotston Doreen, mother of this heifer, was imported by Stewart Bennett and we bought her from him for \$2000.00. She is regarded by good judges, who have seen her, as a cow of almost perfect type. Collynie Elect, famous in his own right, is by Aldie Conqueror and Letham Clipper 13th is by Naemoor Jasper. Elcona Doreen was bred to Sunset Bounce 23d on July 8th.

Elcona Fairy Ring 3d—This is another heifer that helped to make successful the Elcona show record in 1949. Her dam, Fairy Ring A 2d, won high show honors for Arnold Bros. Elcona bought her in the 1941 Arnold sale for the top figure of \$1,525. Her first calf, a heifer, was champion of the May, 1943 Indiana Shorthorn Breeders' Association Show and sold to Merryvale Farms for \$1,100. Her second daughter was retained in the herd. Her third calf, a bull, was purchased by C. L. Smith, of Dunkirk, Indiana, for \$1,200 in the November, 1947, Elcona Sale. Another son went to Purmort and Cowgill, of Van Wert, Ohio, for \$810, in the 1949 fall Indiana Shorthorn Breeders' Association Show and Sale where he was Reserve Champion. Elcona Fairy Ring 3d is bred to Sunset Bounce 23d.

Elcona Gloster Queen 5th—The dam of this heifer has been one of the most consistent producers in the Elcona Farms herd. She has had nine calves since she was purchased in 1941, seven heifers and two bulls, and none of them has been born more than two months away from the anniversary of the first. Her grandsire, Collynie Royal Barrage, made a record in the Jim Russell herd, unsurpassed in modern Canadian Shorthorn history. A full sister of Elcona Gloster Queen 5th, born a year earlier, has been retained in the herd. She was first in class at Ohio and third at Indiana in 1948 and was second as a two year old in the 1949 International. Elcona Gloster Queen 5th was bred to Sunset Bounce 23d on July 22d.

Elcona Clipper 5th—An earlier daughter of Elcona Clipper sold in the 1944 Congress Sale to Sni-A-Bar for \$1,600 and another brought \$900 in the October, 1946, Indiana Shorthorn Breeders' Association Sale. A half-sister of Elcona Clipper was purchased, also by Sni-A-Bar, for \$1,000 in the Elcona-Shore Acres Sale of March, 1946. A full sister of Elcona Clipper 5th is the Senior Heifer Calf in the 1950 Elcona Show herd and will be retained. Both Reigning Sovereign, head of the Oakes herd, and Clipper Amelia were bred by A. J. Marshall. Garguston Sovereign was by Kinellar Observer, ten of whose first crop of calves sold for export for an average of \$1,600. Cruggleton Prince Favorite was by Bridgebank Rosedene, one of the best sons of Collynie Royal Leader. Elcona Clipper 5th was bred to Sunset Bounce 14th on January 9th and will calve before the sale.

Sunset Lovely Belle 7th 2165346
Roan, Otis A. Carter & Son

Sunset Lovely Belle 15th—Sired by Cruggleton Bounce, this good Lovely Belle should do well for you. Sunset Lovely Belle 10th, the dam, is a full sister to Sunset Lovely Belle 14th also selling in this sale. Note that every one of this family in this sale can be considered a good breedy individual. She was bred on August 12th to Sunset Bounce.

B & M Augusta—Merv. Aegerter, in reporting the 1948 International, made this comment about Mather's Glassingall Research, sire of this heifer, "This bull accomplished what few other bulls have been able to do in the last twenty-five years. He headed the two-year-old class here, he headed the junior-yearling class at this same show a year ago, and junior calf class here two years ago. Glassingall Research is a cattleman's bull, with a good head, plenty of bone, low set, thick and level in his lines". There are noted sires on the dam's side of the pedigree too. Leveldale Foray made a fine record in the Mathers herd and Sheik of Leveldale was an International Grand Champion. B & M Augusta was bred to Sunset Bounce 23d on August 5th.

(Right)—Nonpareil Air Beauty, a prominent champion in 1947 and 1948. She is the dam of Lot 33.

B F Annette—Seven heifers in this sale are sired by Broadfields Fair Arthur, acquired by Vernon Thomas when he bought the Broadfields herd from the estate of E. Arthur Ball. The sire and grandsire of this bull were bred by Duncan M. Stewart, who has bred some of the best known Shorthorns at Millhills. One was Millhills Ransom and another was Collynie Elect, the bull at the top of this pedigree. Klaymor Mandarin was one of the sons of Collynie Royal Barrage that Jim Russell retained for service in his herd. B F Annette was bred to Sunset Bounce 23d on June 11th. She stands in the middle of the group shown on this page.

Elcona Emma 5th—Elcona bought the dam of this heifer from Miles of View Farms for \$700. Her first calf, Elcona Emma, was purchased by Edellyn Farms in the Shore Acres-Elcona Sale in 1942, at the top price of \$1,125. Another daughter sold to Dr. O. W. House in the second joint sale of these two breeders in March, 1946, at the same figure. Edellyn bought the third heifer for \$700 in the November, 1947, Elcona sale, and the fourth went to Mr. Page's Unadilla Farm, at Chadwick, Illinois, for \$650 in the 1949 fall sale of the Indiana Shorthorn Breeders' Association. These four daughters were by three different bulls, showing that Emma 12th is a dependable brood cow. Scotston Airman sired that kind in the Miles of View herd of George Longan. The second sire in this pedigree is a grandson of famous Rodney. Elcona Emma 5th is in calf to Sunset Bounce 23d since August 5th. She is shown in the group picture on the opposite page.

B F Orange Blossom 2d—The name Tomson Bros. marks any pedigree and the animal it represents as worthy of special consideration, for there has been no more constructive and successful Shorthorn breeding program carried out anywhere than has been maintained in the Tomson herd for many years. Proud Marksman is one of the most noted of the many famous bulls that have helped to develop this high standard. B F Orange Blossom 2d was bred to Edellyn Royal Leader 22d on March 16th. She is at the left in the group shown above.

B F Sunshine—Aldie Reynoldstown shared honors with Collynie Royal Barrage in the Russell herd. He is the sire of Jim Ewell's famous herdsire, Klaymor Heir. Klaymor Diamond sire of this heifer's dam, brought renown to the herd of his owner, Roy T. Johnson of Flushing, Ohio. One son, Millbrook Diamond Art, won his class in the 1944 Congress Show and sold there for \$2,600. A daughter was Grand Champion at Ohio and sold in the 1945 Marellbar sale for \$2,100. In four successive Congress Sales, 1944 to 1947, inclusive, Roy presented seven of his sons which sold for an average of \$1,100. Coldoch Sensation is the sire of Edellyn Royal Leader and the grandsire of Edellyn Royal Leader 22d. B F Sunshine was bred to Edellyn Royal Leader 22nd on April 15th. She is at the right in the group picture on the opposite page.

Elcona Maud—Sensation Leader, sire of this heifer, was calved at Raveni Farms, after Mr. Jones bought his dam at \$850 in the sale of March, 1946. Later Elcona got back both mother and calf when the entire herd was purchased. He sired a number of good calves and was then sold in the November, 1947 sale for \$875. Sni-A-Bar Royal Baron headed the Elcona herd for five years. He was many times a first prize winner and champion. We bought the dam of Elcona Maud in the John E. Greig dispersion sale for \$1,550. N.U. Goldminer was Grand Champion and top selling bull of the 1940 Nebraska State Show and Sale. His sire, Ashbourne Standard was also the sire of the International Grand Champion Steer, Ashbourne Orange. Elcona Maud stands second from the left in the group picture on the opposite page. She was bred to Sunset Bounce 23d on May 11th.

Elcona Clipper A—Elcona Grand Leader was Reserve Champion at the March, 1949, Indiana All Bull Show and Sale. Further particulars of his record and breeding are given in the footnote with the pedigree of Elcona Grand Cashier, Lot No. 13. The pedigree of this heifer's dam is studded with famous names. The mating of Browndale Pilot to the daughters of Browndale Star produced offspring of such uniform excellence as to earn for this cross the designation of "the perfect nick". Calrossie Lord Rothes was a famous MacGillivray bred Bull and Lena Clipper was a daughter of Collynie Royal Leader. Elcona Clipper A was bred to Sunset Bounce 23d on July 10th. Her picture appears in the group above Lot 51.

Elcona Rosie 2d—This heifer was missed when pictures of the sale offering were taken, but not intentionally. She is one of the best of the Elcona females. Her dam's sire, Paymaster Stamp, was a noted bull in the Sni-A-Bar herd. The improving influence of his sire, Walshford Paymaster, used for many years by Beath Farms, has been felt widely in Canada and the United States. A half-sister of this heifer, out of the same cow, has been retained in the herd. Elcona Rosie 2d was bred to Sunset Bounce 14th on January 1st and will calve before the sale.

B F Augusta 17th—Broadfields Air Pilot was imported in dam by Broadfields and added much to the prestige of that herd, already well developed by Divide Grand Duke. Bapton Air Pilot, his sire, appears in the extended pedigree of Sunset Bounce 14th. He is the sire of Bapton Upright, whose offspring in three years sold for a total of about \$250,000. One son is the \$62,000 Pittodrie Upright, highest selling bull of any breed on record. This blood line goes back directly to Calrossie Control. Klaymor Mandarin is a son of Collynie Royal Barrage, which Jim Russell retained for service in his herd. B F Augusta 17th was bred to Sunset Bounce 23d on June 20th. She is at the left in the group pictured above.

Elcona Amy—The record of Sni-A-Bar Royal Baron, maternal grandsire of this heifer, is given with the pedigree of Elcona Maud, Lot 52. He developed a great reputation as a sire of good females. Eleven of his daughters, and four of his granddaughters by two of his sons, averaged \$1,000 in the Elcona-Shore Acres Sale of March, 1946. The top was \$3,000 on the heifer bought by E. Arthur Ball. Princess Royal 70th, a daughter of Rigfoot Sensation, twice Canadian National Grand Champion bull, was Junior and Reserve Grand Champion at the 1940 Canadian National. At the International the same year she stood fourth in a strong class of thirty-seven, that was won by Divide Patience 51st, later made Grand Champion. Her dam, Klaymor Amy, was also the mother of Princess Royal 107th, the heifer that sold in the 1943 Murphy sale at \$3,000, the top price paid in Canada for a female in several years, and only exceeded in the United States, up to that time, by one female. This heifer's picture was displayed on the cover of the March 25, 1944 issue of the Shorthorn World and was the subject of editorial comment in that number. Elcona Princess Royal is also mentioned in the footnote for Elcona Maud. Elcona Amy is shown third from the left in the group picture on the opposite page. She was bred to Sunset Bounce 23d on May 2nd.

Elcona Lovely—The Lovely family was one of the most highly regarded in the Raveni herd. The dam of this heifer's mother was by Browndale Star, undefeated Grand Champion son of Browndale Count, and the bull whose daughters were mated to Browndale Pilot to produce the "perfect nick". Many champions and famous herd sires came from this combination of blood lines. Klaymor Comet's record is given in some detail in the footnote for Lot 15. Elcona Orator Leader 2d. Elcona Lovely is pictured standing at the left in the group picture on the opposite page. She is in calf to Sunset Bounce 23d since July 31st.

Elcona Goldendrop—This heifer is the product of several generations of Swanson breeding. Her dam was bought by Elcona in the John Greig Dispersal Sale for \$600, which proved to be a bargain, as she has developed into an excellent brood cow. Her paternal grandsire, N U Gold Nugget, is mentioned in the footnote for Lot 52, Elcona Maud. He was Grand Champion at Denver in 1942. His sons were grand champions and top selling bulls at four Nebraska State Breeders' Sales. At the 1945 International Congress Show and Sale, one son stood next in class to the Grand Champion Bull and a daughter won her class. Elcona Goldendrop was bred to Sunset Bounce 23d on May 3d. She stands second from the left in the group picture on the opposite page.

Left to right: Elcona Lovely (Lot 65), Elcona Goldendrop (Lot 66), Elcona Rosalie Brae (Lot 67), B F Rosewood 16th (Lot 68).

Elcona Rosalie Brae—This heifer's breeding provides a double infusion of Mercury blood. Edellyn Roman Mercury was Grand Champion at the 1943 International Congress Show and Sale and was bought jointly by Harry Greene and Cyril Mumford for \$3,650. His dam, Collynie Broadhooks 12th, was the foundation of Edellyn's famous Broadhooks tribe and she is by the same bull as the dam of Campeon and Peerless Mercury, tops of the 1942 and 1943 Edellyn sales. Edellyn Roman Mercury's first eight calves, sold at auction in Canada, averaged \$1,472. Harry Greene had one of the best herds of Shorthorn females in Canada, as witness the fact that the average in his dispersion of 36 cattle was \$860. The grandsire of Rosalie Brae 8th, Rigfoot Sensation, was twice Canadian National Grand Champion and her granddam was by Brae Lodge Footprint. This part of the pedigree is T. A. Russell breeding. There have been few if any more illustrious names in Canadian Shorthorn history. Elcona Rosalie Brae is bred to Sunset Bounce 23d. She is third from the left in the picture shown above.

Note the thickness of these Elcona females. Left to right: Elcona Rosie by Edellyn Campeon Mercury, Imp. Scotston Doreen by Millhills Wanderer, Scotsdale Cora Pauline by OAC Mayflower's Ransom, Broadfields Vanity 2d by Divide Grand Duke, Elcona Crimson May (Lot 21), and Elcona Gloster Queen 5th (Lot 25).

Augusta Lovelace 2d— an imported-in-dam female whose dam is by Cruggleton Perfect, he the sire of Cruggleton Account, Perth champion. A wonderful pedigree filled with Perth championship blood. Bred July 18th to Sunset Bounce. 1948 International reserve champion son of Cruggleton Bounce.

Standard Guarantee of the American Shorthorn Breeders' Association

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's Disease of the state or country into which they may be shipped.
6. Certificates of registry and transfers will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All animals sold in this Sale will be backed by the above Standard Guarantee.

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bangs Calfhood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.

THE SALE OF THE YEAR FOR CAREFUL BUYERS . . .

From two great herds comes an offering that will appeal to those who seek to build on the strongest possible foundations . . . Here indeed are Shorthorns that are right in TYPE, right in BREEDING and right in CONFORMATION . . . Here indeed are bulls and females that will work improvement wherever they go.
